

After graduating from Douglass College, Rutgers University, where I studied with Fluxus artist Robert Watts, I did graduate work with painter Anne Tabachnick at Goddard College, in Vermont. My paintings and mixed-media work have been exhibited in New York City, Provincetown, New Haven, Chicago, Philadelphia, Berlin, and elsewhere, and I have been an artist-in-residence at the Millay Colony for the Arts and a recipient of an Artists Space Grant. My ongoing collaborative collage project, "The Corpses," with poet Ian Ganassi, can be viewed at thecorpses.com. I live and have my studio in the Bronx.
